

# UKRAINIAN DESIGNS:

## POST-GRANT OPPOSITION PROCEDURE

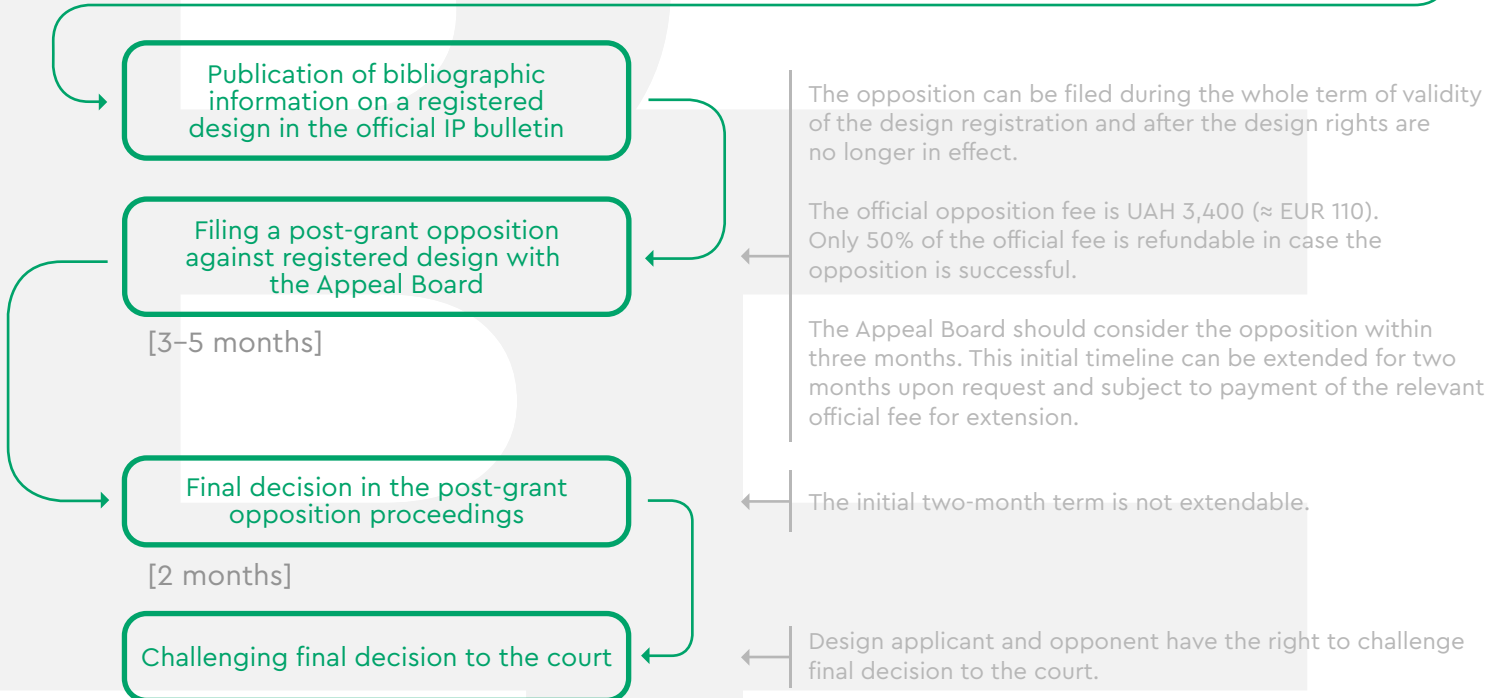

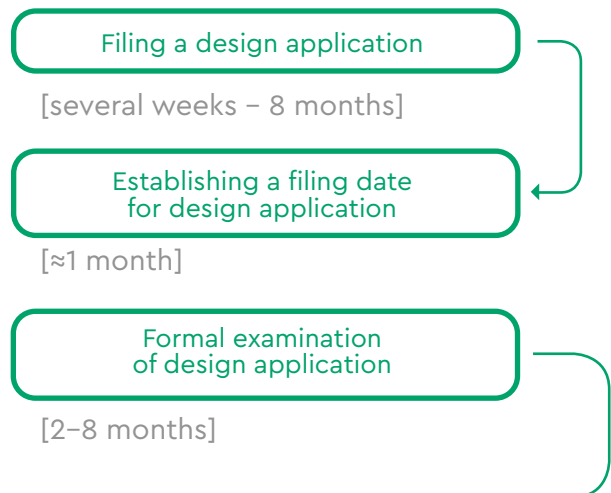

### Notes:

In case deadline for providing a receipt of paid filing fees has been missed, it can be renewed within six months from the deadline date and subject to payment of the relevant official fees.

No design filing date will be established without official filing fee paid.

The Ukrainian IP Office (IPO) continues to conduct only formal examination of design applications. In other words, no examination on whether a design is novel and has individual character will be carried out by the IPO. Applicant takes the responsibility for compliance of the registered design with the design protection requirements.
